eplied the exchange editor, drawing if they were a little weaker them-

man vainly seeking employment; there is not a mechanic half employed and poorly paid; there is not a merchant hoping for a revival of trade; there is not a manufacturer struggling to build up his business, there is not a farmer deprived of good markets and fair prices who does not know there is something radically wrong in theadministration of our public affairs. They know that the party in power is responsible for the disasterous

"Take it away, take it away !" Nast yelled the fiend, retreating to the cilman NASHVILLE has one colored Conn-

lords of creation, who talk infidelity while their wives take in washing,
